Gregg,

We are currently putting together an addenda to the report we submitted last June 26th (as we spoke of in our Jan. 15th meeting.) The addenda is in draft form and just beginning an internal review. We should be able to get that out to you within the next couple of weeks. It is going to be a fairly comprehensive update. In the meantime, I will see if I can send you the January's data for the Electric Lake Water Balance. Would this be acceptable?

Also, while I'm writing this, I want to inform you and your agency that PacifiCorp is in the process of conducting another dye study in Electric Lake. It is scheduled for Feb. 24th and 25th. It will be very similar to the study we done last April. I thought it appropriate to provide you with this information.

Let me know if you have any questions or concerns. Thanks

Please send me your phone number.

Cody,
Do you have any updates to your "Electric Lake Water Balance" spreadsheet?

The last update I have was dated 12/23/2003.

The information certainly helps in my evaluation.

Gregg
